Subject : Request for Medical Leave

Respected Sir,

I am writing to formally request medical leave due to fracture. My doctor has advised me to take rest to ensure a proper recovery. I request leave starting from **02.06.2026** to **12.06.2026**. I have attached my medical certificate and other supporting documents as required.

During my absence, I will ensure to complete any pending tasks before-hand with my team to handle any immediate responsibilities. Please let me know if there is any additional documentation or process required for this request.

Thank you for your understanding and support.

Your Sincerely,

Kanisha Bhelose,
